Troop 25269 is hosting the "Girl & Guy dance" to be held on February 22 or March 1, 2014. Theme, location and final date to be announced.

The Bridging ceremony is the perfect event for 2nd year Juniors or older to volunteer for. It's also a great opportunity for girls who are working on their Bronze award. This event is usually held in late April or May. The troop is responsible for choosing a date, location and organizing/hosting the ceremony. If your troop is interested please contact me.

The bowling is a fun event for all ages of girl scouts and their families. The date for this is tentatively set for April 5th at Palace Lanes. Adult and older girl volunteers are needed to help collect fees, assign lanes and collect donations for a local charity. This is usually a themed event so if you have any fun theme ideas please let me know.

The Leader/Daughter event is a community-sponsored event to celebrate our wonderful leaders and their long-suffering, ever patient daughters. Without you none of this would be possible! The date for this is tentatively set for May 19, 2014. More information to come later. Stay tuned!
