Offered by Bending Bayous Community
Taught by Mike Henley, Red Cross Trainer

Saturday, September 26, 2015, 9am – 11:30am
Saturday, October 24, 2015, 9am – 11:30am
Sunday, October 25, 2015, 1pm – 3:30pm
Location to be determined; hopefully at the Girl Scout Center

All troops need 1st aiders for troop activities. Here is your chance to get trained or to update expired certifications. It's a good idea to have a couple adults trained so not to be dependent on just one person. (Red Cross CPR and First Aid is now valid for 2 years. Check your cards!)

If you troop plans to participate in Bending Bayous Community Camping Weekend in November, you must have a 1st aider.

Classes are for adults and girls age 12 and over. No tag-alongs. There will be a minimum of 8 students and a maximum 20 students. Spaces are reserved when a check is received. Cancellation is allowed two weeks prior to the class. No refunds the last two weeks; substitution of another person is ok.

Cost: \$35 for CPR and First Aid

You are welcome to bring snacks and beverages if you wish.
